

What Our Customers Are Saying

The professional quality of my video impressed the recruiters – especially Navy. As a kicker my needs were different. Pennsylvania Sports Media's technical expertise and creativity captured the highlights of key games and everyday practice. He was able to draw attention to my strengths. Working with Pennsylvania Sports Media was the easiest part of my college search.

The quality and expertise that went into my son's football highlight DVD was superior. Pennsylvania Sports Media works meticulously to make each DVD deserving of attention from college coaches. Their prompt service, expert communications, and cooperation in working with both athlete and parent is exemplary. I was completely satisfied with our final results. I plan to use Pennsylvania Sports Media services again this year for my daughter's softball highlight DVD.

Services For Every Athlete

Pennsylvania Sports Media is known throughout the Delaware Valley for our highlight videos for teams and individual players. Our highly detailed and personalized attention is apparent in every video we produce. From customized labeling to player bios, our DVDs offer a compelling story for each participating athlete.

► **Recruitment Video Package:** We can produce a video package that will significantly enhance your presentation to colleges and universities. We work with experienced coaches on the high school and collegiate level to best

present your unique talents to the greatest effect. Using features like spot-highlighting, custom menus, player's bios and full-color labeling, our package will make you stand out from the crowd.

► **Skills Workout Videos:** More and more there is a science to recruiting that puts an emphasis on the skills of the athlete. Running, jumping, throwing, catching—all of these skills need to be on display to truly make a lasting impression. With the assistance of our experts in the field, we work with you to develop a Skills Workout Video that will make you shine.

► **Video Distribution Services:** Want to make the biggest impact? We can help distribute your recruitment video. Whether you want to make it available online on our website or yours, we can convert your video for **web distribution**. Or mail out numerous copies to multiple colleges. Through our **mass distribution** services.

► **Team Scrapbook DVDs:** We can create a unique scrapbook of your team's season. Not the run-of-the-mill highlights, our video shows your team's unique personality and style that will become a lasting memory.

► **Individual Player Scrapbook DVD:** Parents, our individual player scrapbook DVDs make a great graduation, birthday or holiday gift for your athlete. We can create a complete highlight keepsake from pee-wee or tee-ball to varsity running back or left fielder. This DVD will be provided with a menu interface and your choice of music and graphics.
